Behavioral Health Services

• Peer Navigators
  • Relatively new to Parkland & HOMES
  • Lived experience assisting patients with recovery in substance abuse and or mental health as it relates to barriers to healthcare
  • Focus on High Utilizers and collaboration with emergency department

External Behavioral health Providers
• Collaboration occurs as needed-Metrocare/IPS
• Other collaborations are usually site specific
Challenges of Serving the Homeless

• Adherence to Medical Care Plans
• Sometimes Poor Historians with Laundry Lists
• Lost/Stolen Medications
• Communication Barriers
• Nuances of Shelter Policies/shelter resistant
• Medication Management
• Lack of Family, Financial & Social Support
• Transportation
• Healthcare as a Priority
